

Tbilisi market letter

A quarterly view on yield, supply, and capital flows in central Tbilisi.

This is a placeholder Q2 market letter generated for layout review. The final document, supplied by the Primelist Invest research desk, will replace this file in the same path.

Indicative coverage: macroeconomic context, supply pipeline by district, prime rental yield ranges, transaction activity, and the desk's call on the next two quarters.

For the final letter contact welcome@primelistinvest.com.

Placeholder PDF — Primelist Invest research desk. Replace with the final report when supplied.
